American College of Radiology
North Carolina Chapter

3RD ANNUAL WEEKEND REVIEW COURSE

2015 Nuclear Medicine & Molecular Imaging Update

March 13-15, 2015
Charlotte Marriott SouthPark
2200 Rexford Road
Charlotte, North Carolina 28211

Jointly Sponsored by Carolinas Medical Center-NorthEast
And North Carolina Radiological Society

1 SAM CREDIT: Approval by the ABR Pending.
PROGRAM DESCRIPTION AND OBJECTIVES

It is the intent of the North Carolina Chapter of the American College of Radiology to provide practicing Radiologists and other health care professionals in Nuclear Medicine a review of current concepts, while also introducing newer concepts into current accepted practice. This program will also offer requirements for Nuclear Medicine/PET program accreditation through the American College of Radiology. Free Wi-Fi access will be available in the meeting room and the syllabus materials will be presented electronically. The participating Radiologist should be able to discuss new indications that are impacting the practice of Nuclear Medicine and Molecular Imaging from a clinical perspective, and describe the latest indications and applications of PET imaging and its impact on patient management. Relevant advances and shortfalls of PET in oncology, cardiology and neurology will also be covered in these sessions.

REGISTRATION FEES*

Physicians (non-NC Chapter Members) $475.00
North Carolina Chapter Members $375.00
Technologists, Sonographers & Physicists $275.00
Residents & Fellows (in training) $175.00

Registration fee covers academic lectures, electronic syllabus, (2) breakfasts, coffee breaks, and lunch on Saturday.

CONTINUING EDUCATION CREDITS

Continuing Education Credit will be based on the following criteria:

Accreditation Statement: CMC-NorthEast is accredited by the North Carolina Medical Society to provide continuing medical education for physicians.

Credit Statement: CMC-NorthEast designates this educational activity for a maximum of 15 AMA/PRA Category I credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

SAM CREDIT: Approval by the ABR Pending.

American Society of Radiologic Technologists (ASRT): This activity is approved for 15 CE Category A Credits.

Policy on Faculty and Sponsor Disclosure: CMC-NorthEast adheres to the ACCME Standards regarding industry support of continuing medical education. Disclosure of faculty and commercial support relationships, if any, will be made known at the activity.

Americans With Disabilities Act: CMC-NorthEast Physician Education Office is committed to making its activities accessible to all individuals. If you have a disability, please submit a description of your needs to the contact person provided in this memorandum to assure that you will be able to participate in the activity.
